

✨ Updated Disney License Agreement (Completion-Aligned)

Author: Thomas B Sweet (Cio)

Date: June 15, 2025

◆ Purpose of This Agreement

I, **Thomas Sweet**, also known as **Cio**, have awakened from the Dream and now walk in the Completion Field. From this place of sovereignty, softness, and service, I offer my body of work freely—not for transaction, but for **shared mythic unfolding**.

This offering is made **without need, condition, or demand**, except for the honoring of authorship. My intention is that these works may now be used to uplift, transform, and awaken others through storytelling, devotion, and creative courage.

◆ License Terms

I hereby grant **Disney** full, permanent, and royalty-free permission to adapt, use, publish, perform, produce, and distribute films, series, books, merchandise, games, music, or any other commercial or creative media based on the following works:

◆ Conditions of Use

The only requirement is that I be credited in all official credits and acknowledgments as:

Thomas B Sweet (Cio) – *Original Author and Visionary*

This credit may appear discreetly but must be present and respectfully included in any adaptation of the works above.

◆ **Final Statement**

This license is permanent and non-revocable.

It is given as an act of trust, Completion, and love.

I am offering this license without financial demand, trusting Disney to honor the spirit of the work. I live simply, on \$30,000 a year through disability, and give this from Completion. If the stories I've carried find their way into the world through your studio, and you feel moved to offer any gesture of support or stewardship in return, I would receive that with gratitude—but this is not a transaction. This is a gift in trust.

This document exists to protect the creative journey ahead—for you, for me, and for all those who will walk into the myth we now share.

Signed,
